

TEEN VOLUNTEER GUIDELINES & F.A.Q.

Your outfit must be neat, clean, and modest. If you are volunteering in the summer, you will wear a t-shirt with your summer reading t-shirt transfer on it, or other appropriate attire (i.e. no bathing suits; etc.). Footwear must cover the foot: No flip-flop beach style footwear made of plastic or rubber; sandals must have a strap around the ankle.

How do I schedule when I'm volunteering?

Fall, Winter, and Spring (September-May): At least once a month you will receive an email, text message, or phone call depending on your preference, with upcoming volunteer needs at the library. If you are available for one of the times, contact us either by email or phone to see if you can take that volunteer job. If the job hasn't been filled, you will be scheduled. **Please note: we require our teen volunteers to contact us themselves for their volunteer schedule.**

Summer: Our summer teen volunteers help with the Summer Reading Program. Because the schedule is much more intense, we require summer volunteers to submit a special application that details the dates and event of the various summer volunteer opportunities. We then ask that you attend a Teen Volunteer Meeting prior to the beginning of our summer reading program so that we can distribute schedules and t-shirt transfers for you to wear during the time that you will be volunteering.

Last minute requests: We cannot always accommodate late requests for volunteering, so it is best to plan ahead for your service hours instead of waiting until the last minute. It's much easier to schedule people for a few hours a month over the year than fifteen hours in two weeks.

How can I track the time I've spent volunteering?

When you arrive for your shift, please report to the Youth Services Department to speak with a librarian about the volunteer work you have been assigned. If volunteering in the summer, you will be given access to a binder where you can fill out a volunteer log that will document the time you have spent volunteering during the summer.

What if I can't come in?

Please call the Youth Services Department @ 401-822-9102, and if possible, email Kylie the Teen Librarian at kwoodmansee@coventrylibrary.org. **It is important that you let us know ASAP if you are unable to make your hours!**

We understand you may have important reasons to miss a day. However, if you continually cancel or skip out on us, we may need to reconsider your role as a volunteer at the library.
